

FedACH International® Participant Registry
FedACH International® Mexico Service

These financial institutions are actively promoting Directo a México. It is not an all-inclusive list of all financial institutions that offer Directo a México. Please visit one of these branches if you would like to send money to Mexico via Directo a México. In addition, there are some financial institutions that offer the Beneficiary Account Registration (BAR) Website, where you can pre-open a bank account for a third-party beneficiary at any Bansefi branch in Mexico. Additional banks and credit unions are added each month. Please email directoamexico@atl.frb.org for an updated listing.
